Dear Friend,

If you're **really interested** in making your life the best it can be, or "adding a little bit of **extra** to your life" ... then this is going to be the most exciting message you ever read.

Here's why:

I've created an amazing new **7 Week eCourse** that helps you learn how to "**Do HEALTH & BEAUTY – Your Way**".

(If you're like most women, I'm sure you want to feel **Healthy, Happy, Sexy, and Beautiful - everyday**, not just once in a while.) You'll find out that "Your Way", is the "Only Way" that delivers the results you want – and delivers them consistently.

This **eCourse** is called, **THE NOT SO FAMOUS CELEBRITY MAKEOVER**, and it's based on my latest three books - SECRETS TO HEALTHY AGING & AGELESS BEAUTY, THE UGLY DUCK MAKEOVER, and the DUCK DIRECTORY. I'm also including in this **eCourse** THE UGLY DUCK HEALTH & BEAUTY PROFILE, at no extra charge.

It's a 7 Week - 7 Step
Health & Beauty Makeover -
A Makeover that Really Works!

Just imagine feeling **Beautiful, Confident, and Sexy** all the time. Wouldn't that be GREAT?

Or, imagine being able to walk into a room full of people, and everyone's head started to turn ... towards YOU!

And what if you could be as happy and carefree as a child – like when you didn't know any other way to be but *yourself*, and whatever you wanted to do, you just did it! Well, you can, you just need to know how to do it.

That's what this amazing new **Internet eCourse** could help you do.

And I promise, this isn't like any other
Anti-Aging, Health & Beauty, Diet & Exercise
Program You've Ever Used!

Why?

For three reasons:

First, because every part of this eCourse was created because "you asked for it." Well, not "you" really, but from my experience in talking and listening to over **50,000 Women** during my career in the Home Furnishings Industry. From them, I've learned that women not only want a beautiful home, but they also want to **feel beautiful** and **be healthy** – no matter what age they are.

Secondly, I've researched, and used Alternative (Natural) Medicine for over 25 years – long before **Dr. Weil** or **Dr. Perricone** were household names. Here's what I learned -

that **we're all searching for the same thing** ... we all want to **look and feel as young as we can, for as long as we can, and be able to do it as naturally as possible.** That's the purpose of this course – to share with you what I've learned over the last 25 years, and what I do to make Health & Beauty differences in my life.

Lastly, the reason this isn't like any other Anti-Aging, Health, Beauty, Diet or Exercise Program is because it Really Works! (The truth is, I'm just like you – I work every day at a JOB, and depend on looking and feeling my best. Also, like you, I'm extremely "budget-minded", which means, **I don't want to spend my Money on ANY Product or Program that doesn't do what it promises to do.**)

So, if I'm like that, I know you are, too, which means **I had to design (and be able to deliver) a program that always does what it's supposed to do – and do it for everyone.**

This is the same **HEALTH & BEAUTY** program I use for myself, and the same one I raised my kids on.

I've listened to all the questions. And now ...

I've finally answered them!

Which means – no filling up the pages with *useless* information!

In fact, **THE NOT SO FAMOUS CELEBRITY MAKEOVER** delivers over 500 pages (throughout a 7 Week Period) of **helpful, life-changing information** - truthful answers to the questions you asked about.

I guarantee you'll discover all kinds of exciting **ANTI-AGING, HEALTH & BEAUTY, DIET & EXERCISE Secrets, Tips and Tricks.**

Here's a **Sneak Peek** at what you'll find in **THE NOT SO FAMOUS CELEBRITY MAKEOVER:**

- ♥ In less than 8 weeks, you'll have better control of your life, and understand the best way to **preserve your Health**, and **enhance your Beauty** – you'll learn how to **“Do Health & Beauty – Your Way”**.

This means you **don't have to waste your Time or Money** on (recycled) **Diet & Exercise programs** from the *Guru-of-the-Week*, or copy your best friend's **Health & Beauty book** just to save money. Instead, you'll get your **very own Plan – one that's personalized** and designed to work, just for You.

If that isn't enough, You'll also discover:

- ♥ **A quick and easy way** to make your days **Happier, More Fun** and **Less Stressful**.
- ♥ **A little-known secret** that shows you how to **"Penetrate" the World of Men**. (You'll be amazed how much fun this is!) Once you've *"made the penetration"*, you'll find out exactly what turns men on, and more importantly, what turns them off. And, you'll really enjoy using your newfound knowledge at work, on the phone, and of course ... in the bedroom:)
- ♥ **5 proven steps** to guarantee the success of your **Morning Routine**, which is essential if you want your **Health & Beauty** program to work.

- ♥ **How to buy the best Hair, Makeup & Skin-Care** products at the lowest possible price. You won't ever need to waste your hard-earned money at *high-dollar* Department Stores again.
- ♥ **Over 100 of my favorite Health & Beauty products and services**, which are not only the most reliable and value-driven Resources on the Internet today, but are those that only emphasize the philosophies of **Foundational Health & Beauty, Mind & Body Balance**, and the **Microdose**. You'll love having access to these Resources right from your Desktop.
- ♥ **THIS IS AMAZING!** Discover in just a few minutes how to turn back the clock and **look years younger**. Do it the right way, you'll love the way you look; do it wrong way, well ... let's just leave it at that.
- ♥ **A timeless, proven strategy** that teaches you far more than watching **Ellen, Oprah, Suzie, The View**, and **Lipstick Jungle** on TV ... or listening to your mother, your spouse, your best friend ... need I go on? I'm sure you can tell I'm trying to say - **this is a Big Deal!**
- ♥ **7 Tips and Tricks** to boost your **Self-Confidence** and enhance your **Sexuality**.
- ♥ **A surprisingly, Inexpensive Idea** that makes you feel like a **Million \$\$ Baby!**
- ♥ **A Free and Easy way** to test out a revolutionary, **mind-expanding** program (no drugs, no pills – it's completely natural).
- ♥ **And, I bet You've been looking for this:** How to get men AND women to treat you with respect – not because they have to, but because they want to; this little gem will triple your **Self-Confidence**.

- ♥ **How to make** your **First** and **Last Impressions** count. (After all, the impressions we make are how we make new friends, and it's what we leave to the ones we already have.)
- ♥ **REVEALED!** What I've used to sell over **\$8 Million Dollars** of Home Furnishings. I created this technique, and for the first time, decided to share it with other women. It's just too valuable to keep to myself because I believe **we all deserve to be empowered**. You can use it every day, and not just at work.
- ♥ **Your Secret Weapon** that makes any **Diet & Exercise Program** easier to do, and work better for you.
- ♥ I'll introduce you to the (not so famous) **Celebrity**, and why I named this Course in her honor.

And that's just a fraction of what you'll find out in **THE NOT SO FAMOUS CELEBRITY MAKEOVER**. **That's why you should enroll in this Course today** (in fact, you can begin in as little as 5 minutes from now!)

What's a Resource like this worth?

To have someone do all this research for you is **priceless** – I imagine it would take someone **hundreds of hours**, and **thousands of dollars** to do it (I should know, that's what it cost me!).

This is information that everyone wants to know - information I've made into a **personalized Health & Beauty program that works for everyone** to help make **life Extra-Ordinary**. It's a very unique program that adds the "extra" to your life while

minimizing the negative effects of aging!

This isn't stale, recycled, useless information, either. It's **powerful** and **life-changing information!** Everything is explained in PLAIN English. Which means, it's very easy to read and understand. And it's logically laid out.

Which is why this

7 Week Health & Beauty eCourse

is such a Bargain at \$95!

That's right, a fraction of what it's really worth, or what it cost me to research. Why would I make it so affordable? Simply because my costs to deliver it to you are so low. This is a **Course** that can be downloaded to your computer in a flash. Which means, **you can start the Course**, and begin discovering these **amazing Secrets** in as little as **5 minutes from now**.

So I figure, I'll be able to offer this fantastic opportunity (which if you follow the tips contained in its pages, could really give you some amazing benefits) to more people and make my investment back over time.

No matter what, it's a bargain for you. And yes, I plan on raising the price from \$95 very soon. (Right now, \$95 is just the **Introductory Price**; as soon as I get a few more testimonials from my satisfied customers, it'll be priced closer to \$125). So, don't wait to enroll if you want to save some money.

FREE BONUS #1:

"The Spinning Report"

I **found this** amazing little Report as I was researching on the Internet (painfully so) through the hundreds of **Weight Loss Programs** available today. In my opinion, **nothing compares to Jennifer Jolan's "spin" on Weight Loss.**

She found a way to help almost everyone – and it won't cost you a penny! What she recommends, I actually do myself as part of my Morning Routine.

You'll discover:

- ♥ A Simple Way to Loose "Water Weight"
- ♥ **How to Reset your Cell Signals for better Health, easier Weight Loss, and increased Energy.**
- ♥ How to Watch TV & still Lose Weight

Not bad, right? But that's not all you get! Because I'm also throwing in:

FREE BONUS #2:

I'll give You

[My Personal Email Address]

Perhaps that doesn't seem like much, but **my Consultation Fee is typically \$125 per session.** I think this is a **Win-Win Deal!** You Email me (1) question, and **I'll personally answer** with a candid and thoughtful response!

I welcome any question you might have about yourself, or about my books and website. (The only questions I won't be able to answer are those about my family, my personal life, or those that require a licensed health care practitioner's point of view.) I do hope this Bonus is as exciting for you as it is for me!

Now, I have **one more Free Bonus for You!**

FREE BONUS #3:

My Personal Thoughts about How to be Sexier

"Sugar Sugar ... Sweet & Sexy"

It's hard to place a Dollar Value on this Bonus, but I know I personally enjoy "behind the scene" footage of my favorite TV shows, and Country Music Artists. I decided to include this just for my "Students".

This is an article I wrote in my "writers journal" about **Sensual Sexuality.** A writer always writes, and expects that most of it will never be made public, but I thought you might enjoy what I think makes women sexier.

Wow! ... that's some list of FREE Bonuses, right?

They're each worth far more than what I would charge for them. **But they're yours for FREE.** Congratulations!

For a mere \$95, you're getting **solutions for your Health & Beauty concerns ... PLUS** these BONUSES. Just remember, you can only get this product from me. It's not available in libraries or anywhere else on the Internet. Just imagine being able to get the answers you've been seeking **downloaded to you right away ...**
